Daphne Michaels...

Thought Leader, Author, Human
Potential Expert and CEO Maker

Media Experience

Daphne Michaels is an informative and entertaining guest with an inspiring on-air flair. She brings over 15 years of live, on-air experience including founding and hosting her own show with a broadcast audience of 2 million people for over two years. Daphne aligns her rich explanations and powerful suggestions to your show's tone, pace and timing.

Daphne Michaels has spent over 25 years guiding thousands of people to their highest potential through her life-altering energetic work. She has dedicated her life to understanding the heights and depths of the human psyche through the study of integral psychology and behavioral science. She has also worked for decades as a licensed psychotherapist and executive consultant.

These experiences have led Daphne to where she is today: empowering clients globally to embrace their elevated consciousnesses through her programs, books, and private client services.

Through her own personal unfolding of her spiritual life, and the deep work she has done with countless individuals, Daphne has developed a proven pathway to achieving your greatest potential.

Bring Daphne's transformational wisdom to your audience today. We look forward to partnering with you across an incredible journey, helping your audience to embody their gifts, unleash their magic, and transform their lives!

"I love the fact that Daphne is able to allow you to see not just what is possible for you, but leads you in the right direction to achieve your dreams."
